HARTFORD TEMPLE OF FASHION:—S. W. ANDERSON & CO.

The Question Is

Or should be with you, my friend, when and how are you going to save the most money in laying in your fall purchases? Remember, it is easier to make a dollar by saving in a dry goods store than earning it by a hard day's work on the farm or in the shop. Then, say again, that it is an important question to you whether you are going to pay

- 35c or 40c for best Jeans?
- Two dollars or three dollars for Boots?
- \$4.75 or \$7 for a good Suit of Clothing?
- 85c or 10c for best bleached Domestic?
- \$1.85 or \$2.50 for pair good colored Blankets?
- \$1.65 or \$2.25 for pair good white Blankets?
- 90c or \$1.25 for Cashmere Shawls?
- 8c or 20c for Celluloid Collars?
- 15c or 45c for Celluloid Cuffs?
- 45c or 75c for good linen front Shirts?
- 23 1/2c or 30c for all wool Flannel?
- 25c or 50c for Ladies Undervests?

And piles and piles of other goods that we are going to offer you at bare cost and expense of handling. The first prices mentioned are the prices we propose to charge you, the second prices mentioned are the prices you will have to pay other houses. Try it. Price around and see if we are not correct.

And there is another question we almost forgot to propound to you: Are you going to buy Anderson's Wear-Forever Shoes for your wives and daughters, or are you going to buy ordinary store shoes? Remember, that Wear-Forevers cost you no more than common shoes, and are warranted to outwear two pairs of any other make of the same price and weight.
